Technical Data Sheet

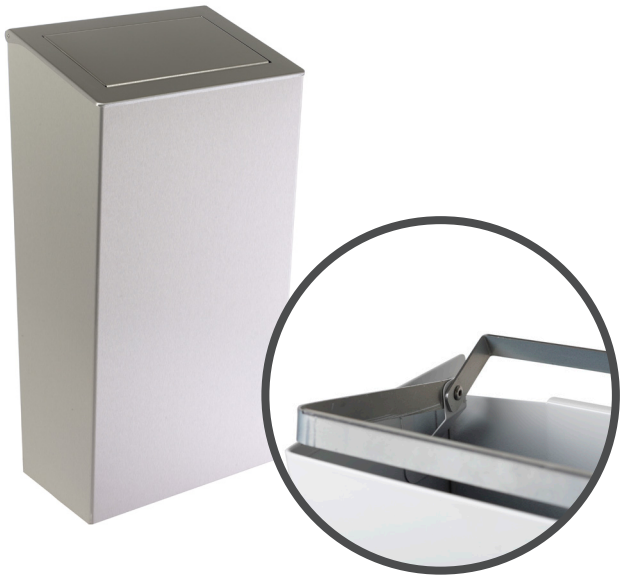
Classic 50L Waste Bin (Tapered Chute with Flap Lid)
78210SS

50L capacity stainless steel waste bin with lid incorporating a spring loaded flap.

Product Image:



Product Description:

- Internal strap secures the bin bag in position.
- Free standing but can also be easily wall mounted for extra security using the mounting plate.
- Tapered design is ideal for the collection of paper towels as opposed to general waste, perfect in washroom settings.
- The lid is treated with our innovative lacquer that helps to prevent finger print marks.

Available Finishes:

Brushed
