Product Image:

Product Description:

- Metal cabinet with integral fixings for Modulo Slimline Dispensers complete with mirrored door
- Available in 2 widths (600mm &1200mm)
- Can be used individually or combined for wider installations
- Door is supported by gas struts ensuring easy opening for servicing
- A shelf incorporated into the cabinet design provides handy storage for spare consumables
- The lockable cabinet door protects the dispensers and consumables
- Easy to install using 2 wall brackets
- Designed to hold Modulo Slimline dispensers, multiple fixing locations possible within shelf
- The base plates of the dispensers sit on the shelf and are fixed into place
- Blanking plates are available separately to cover any unused positions

Bespoke filler units are available separately for linear installations that cannot be filled by combinations of standard cabinets.

These are made to order to your exact requirements.

Please contact the sales team on +44 (0) 121 585 3950 to discuss your requirements.
